LET US TAKE YOU ON AN UNFORGETTABLE JOURNEY OF THE LOIRE VALLEY.

Get ready to be entranced and delighted on this elite expedition to the exquisite Loire River Valley, rich with history and sensory experiences.

Known as “The Playground of Kings”, this region boasts some of the most impressive and historically important castles, fortresses and abbeys in all of France. It also is globally renown for its world-class wine production.

On this adventure we will explore all along the river, beginning in the quaint hill-top village of Sancerre, a word synonymous with spectacular Sauvignon Blanc, for a private visit with a top producer. As we traverse from east to west, we will stop to visit the breathtaking castles of Chenonceau and Chambord, steeped in history and remarkably preserved despite the ravages of wars and revolutions. We will also visit the serene Abbey of Fontevraud, where three of the most famous characters in medieval history, Henry II, his queen Eleanor of Aquitaine, and their son Richard the Lionhearted, leader of three crusades to the holy lands, are all interned. In the vibrant riverside cities of Saumur and Amboise, we will have the opportunity to dine with local winemakers and visit the vineyards of some extraordinary producers. As one of the most popular destinations in France, this unique tour gives you the exclusive opportunity to experience the magic the Loire Valley in an intimate, customized adventure.
